## Memorandum

TO: City Council

FROM: Lori A. Crouch, Public Relations Manager

COPIES TO: City Clerk, City Attorney

SUBJECT: Council Interests

DATE: May 22, 2015

We are kicking off a weekend full of exciting events in Norfolk! There is a list of all the festivals, workshops and the Bike Rodeo on the city's website and social media pages.

**Military Hwy/Poplar Hall Intersection:** This intersection features 12 lanes of traffic and a speed limit of more than 40 mph. Staff will need to study the intersection and traffic pattern to determine methods in which to slow traffic and reduce travel lanes for safe pedestrian passage. The Complete Streets Safety Task Force plans to review this intersection as well as several other areas of the city.

**Ballentine Blvd. Pavement:** The entrance/exit ramps at Ballentine Blvd. are the responsibility of the Virginia Department of Transportation (VDOT) and the city. Staff has reached out to VDOT to address their portion and city crews will address areas belonging to Norfolk.

**Workforce Housing:** In the agreement between 43<sup>rd</sup> Street Development Associates LLC and Old Dominion Community Development Corporation (ODU-CDC), the property at 43<sup>rd</sup> Street cannot be rented without the consent of ODU-CDC. The owner must maintain the home as their primary residence for a minimum of eight months out of the year.

I hope you have a great weekend.
